

Getting Goody advice

Famed for her outspokenness, it was Jade Goody's turn to listen as she received advice from Pulsar IPL's Kathryn Danzey.

In a documentary for Living TV, the former *Big Brother* contestant is setting up a new salon, and Pulsar IPL and Eporex Mesotherapy are among the brands that she is considering.

On camera Kathryn tells Jade about the range of appropriate professional beauty treatments, staff, legal constraints and marketing plans.

Kathryn's 20 years of beauty experience made her perfect for the role as the salon's advisory consultant.
